

# TABLE OF CONTENTS

## I – INTRODUCTION

Section	Page
1.1 Project Overview .....	1-3
1.2 Purpose of Rio Hondo Watershed Management Plan.....	1-4
1.3 Why Organize Around Watersheds? .....	1-7
1.4 A Snapshot of the Rio Hondo Watershed .....	1-9
1.5 Regulatory Context for Rio Hondo Watershed Management Plan ....	1-16
1.6 Summary of Rio Hondo Watershed Planning Process .....	1-20
1.7 Relationship to Other River and Watershed Planning Studies .....	1-27
1.8 Plan Organization .....	1-32

## II – EXISTING WATERSHED CONDITIONS

2.1 Introduction .....	2-3
2.2 Water .....	2-5
2.3 Land .....	2-38
2.4 Social Context.....	2-84
2.5 Political Context.....	2-103
2.6 Overall Findings.....	2-114

## **III – WATERSHED MANAGEMENT PLAN**

Section	Page
A. Purpose of the Watershed Management Plan.....	3-5
B. Vision for a Healthy Rio Hondo Watershed.....	3-5
C. Goals Necessary to Articulate the Vision.....	3-7
D. Strategies and Potential Actions Needed .....	3-8
3.1    Water Quality and Conservation Strategies .....	3-11
3.2    Acquire, Develop and Maintain Multi-use Open Space .....	3-33
3.3    Habitat Enhancement Strategies .....	3-39
3.4    Recreation Development Strategies .....	3-45
3.5    Incorporate Public Health and Safety Priorities .....	3-53
3.6    Ensure Continued Flood Protection and Safety .....	3-57
3.7    Develop Priority Projects To Address Multiple Goals .....	3-65

## **IV – IMPLEMENTATION STRATEGY**

4.1    Introduction .....	4-3
4.2    Create Long-Term Watershed Wide Institutional Framework .....	4-5
4.3    Broaden Watershed Awareness and Stewardship Participation .....	4-11
4.4    Prepare Studies to Establish Baseline Information .....	4-15
4.5    Preliminary Project Proposals .....	4-21

## **V – BIBLIOGRAPHY AND GLOSSARY**

## **VI – APPENDICES**
